## 范文（103词）：

Dear Jim,

Thrilled about your “Green Beijing” event plan! For the format, a community cleanup day coupled with interactive workshops would be engaging. Starting with a park cleanup encourages hands-on contribution to a cleaner environment.

Following this, workshops on topics like waste sorting, sustainable living tips, and

DIY recycling projects could educate and inspire participants. Additionally, a small fair showcasing eco-friendly products and a talk by a local environmentalist would provide practical insights into green living. This mix of activities not only cleans our surroundings but also empowers participants with knowledge and tools for a sustainable lifestyle.

Eager to see our plans  
come to life!

Yours,

Li Hua

简单版（119词）：

Dear Jim,

I'm excited about your  
“Green Beijing” idea! How  
about we organize a day for  
cleaning up a park? This will  
get everyone outside and  
doing something good for  
our city. After we clean up,

we can hold short classes on how to recycle correctly, ways to save water and energy at home, and the importance of using less plastic. It would be cool to also have a booth where people can learn to plant their own small trees or flowers. This mix of cleaning and learning can really help us see how our actions make a difference. Plus, it's a great chance for us to

work together and help our planet.

Can't wait to start planning this with you!

Yours,

Li Hua

Dear Sir/Madam,

I am thrilled to apply for the “Chinese Workshop” aimed at enhancing cultural exchange through Chinese cuisine, handicraft, calligraphy, and painting. I believe such activities are vital in sharing the depth and diversity of Chinese

culture, fostering mutual respect and understanding.

Given my strong interest and background in Chinese calligraphy, I would love to teach this ancient art.

假设你是明启中学高三学生吴磊，你校英语节即将举行主题为“快乐童年”的展览，邀请每位同学提供一件生活中的物品参展，并撰写展品介绍供参观者阅读。你会提供什么物品？写一篇物品介绍，内容须包括

范文（118词）：

As a senior at Mingqi High School, I'm excited to share

a piece of my childhood at our English Festival's "Happy Childhood" exhibition. I've chosen a small, patched-up football as my item.

This football isn't just any ball; it's covered in scuffs and patches, each marking a memory from my younger days. It was my first gift and my constant companion, whether I was playing alone or with friends.

I chose this football because it symbolizes the simple, unadulterated joy of playing outside, away from screens and gadgets. It reminds me of laughter, teamwork, and the thrill of scoring goals under the sun. Through this football, I hope to convey the essence of a joyful childhood spent in the pursuit of happiness, friendship, and dreams.

简单版（117词）：

I'm Wu Lei from Mingqi High School, and for our "Happy Childhood" exhibit at the English Festival, I'm bringing my old skateboard.

This skateboard, with its scratched surface and faded colors, was my ride to countless adventures. It wasn't just a board; it was my freedom on wheels, taking me to places both far and near with friends.
